The Holt Estate, Upham, Hampshire SO32 1HR

The exhibition is taking place in the Old Workshop located on The Holt Estate in the South Downs National Park near Winchester in Hampshire, with good road links to the M3, A272 and A32.

This rural farming venue is a real treat where you feel that you are totally escaping, with stunning views across the estate parkland. The Old Workshop is fully accessible and parking is very near to the building.

You will enter the estate via the large white gates once you have seen the yellow butterfly signs. Proceed with care along the drive following the signs, past farm buildings on your right and estate cottages on your left. You will see the main house across the park to your right but carry on straight. At the division in the drive then bear right behind the yew hedge. You will see the Old Workshop on your right. Parking will be on the left.

We look forward to welcoming you.
